

FEATURED TRAINER

DR. GARRETT HIGBEE

Dr. Higbee is Director of Pastoral Care for the Great Commission Collective, a church planting movement with over 100 churches worldwide. He is also the President and founder of Twelve Stones Ministries in Brown County, Indiana. Garrett is a seasoned counselor, teacher, and trainer with over 30 years of experience. He was trained as a clinical psychologist with a specialty in marriage and family counseling but had a radical conversion in 1992, which led him to trust in Christ and His Word for all things related to life and counseling.

In the last decade he has developed a highly effective church-based model of discipleship and soul care engaging every believer based on Ephesians chapter 4. He is dedicated to helping churches thrive both in leadership and as an authentic culture of soul care. Garrett is a founding board member of the Biblical Counseling Coalition and is a sought-after consultant, frequent conference speaker, and a contributing author for several Christian counseling books. He loves to equip church members and leaders by conducting training which spans from intentional to intensive discipleship.

He has been married to Tammy for over 20 years and they have three children, Rachel, Zach and Sarah. They live in Indianapolis, Indiana, where he has recently started Soul Care Consulting, a ministry that helps leaders and their churches get healthy and stay healthy, and also developed the new *Transformed* resource series for ministry leadership.

TRANSFORMED SOUL CARE LABS

with *Dr. Garrett Higbee*
USING THE NEW *TRANSFORMED* RESOURCE SERIES
transformedresources.com

We are excited for you to join us at the East Coast Soul Care training weekend. Our desire is to equip the local church to speak truth in love with both compassion and skill. This training will be interactive and scenario-based to help bring practical answers to real-life situations.

Dr. Garrett Higbee will introduce the idea of the disciple-making “pathway” for your small group or ministry. You’ll learn how to care for your group members, and how to get other members involved in mutual ministry. Dr. Higbee will lead you through four case studies highlighting and addressing common heart issues that often come up in small groups. You’ll work through these cases on your own and with others and receive guidance along the way to see what you did right and where you could improve. Each session will include an open Q&A time to ask your toughest questions regarding mutual discipleship and caring for others. Whether you are a Small Group Leader, Elder, Pastor, Youth Leader, Bible Study Leader, or Biblical Counselor, this training will help to equip you and sharpen your skills in discerning effective biblical care for those who are hurting.
