SMALL GROUP DISCUSSION QUESTIONS

1. Can you think of a time that someone encouraged you and nailed it? And maybe also a light-hearted attempt that someone did to encourage you but bombed?
2. Why is it important to run our encouragement through the filter of love and truth?
3. What do you think about the thought that now is a time when many are susceptible to being deluded? What portion of God's Word has kept you most centered on the Lord and the work of Christ this week?
4. We've all been through a lot this week. In what ways could you use to be encouraged? Share with your group and pray for one another.
