SMALL GROUP DISCUSSION QUESTIONS

1. Who would make it into your Top 10 list of people you love spending time with? Outside of your family, who would you love to spend time with?

2. Pastor Jerry mentioned a list of things that people seek after and feel they need to experience peace. Did any of those resonate with you? How can we practically allow the peace of Christ to rule in us and guide us?

3. How are you processing the thought of giving Christ the keys to your heart? If the measurement of Christ's presence in our lives is desiring and living by His Word, how would you say you are doing?

4. The thought concerning the power of a name was pretty powerful. What does it look like for us to do all things in the name of Jesus? What does living a thankful life have to do with living for Christ?
